

Did you know...

*There are kids who live nearby
who don't have any books at home?*

You can help by having a book drive!

The Book Exchange:

- Gives free books to students from our partner schools in Marin
- Works with schools, food pantries, community centers, and other nonprofit organizations

On a recent class trip, one student gazed around at all the book choices and asked us if he was dreaming.

Thanks for helping us keep the dream alive!

This is how you can help:

Collect new and slightly used books for children and teens

- Board books
- Beginning and easy readers
- Picture books
- Chapter books
- Novels for teens
- Nonfiction books written for children
- *Please no adult books.*

We are happy to talk to your group about the Book Exchange to kick off your book drive and are happy to help in any way we can.
